XPU-HA MEXICO

HOLA!

Thank you for taking a moment to review this simple guide.

It is very important for us to make you aware of the new procedures and protocols we have implemented to protect our staff and our beloved guests.

Although we are blessed with a secluded location on 50 acres, with vast open-air spaces and only 42 mostly isolated rooms, we have taken the necessary extra care to ensure you have a memorable holiday whilst being safe.

Simply scroll down to find out how we are doing it.

We are looking forward to welcoming you soon!

GOOD TO KNOW

PRE-ARRIVAL

- + Hotel Esencia is reopening in June 2020. Flights between the U.S. and Cancún, México have already resumed however it is important to remain alert to current travel restrictions from your country of origin.
- + Please contact our reservations team for details on our special promotions and current cancellation policies, or any other information or question you may have regarding staying at Hotel Esencia.
- + Boost your immune system! Not only is this good for everyday life, but it can really reduce health risks when traveling.
- + Ascertain the state of your health before any trip, health screenings might take place during your journey.
- + Click [here](#) to view the updated WHO recommendations for international traffic in relation to COVID-19 outbreak.

GOOD TO KNOW

WELCOME TO MÉXICO

- + Social distancing is in practice in all Mexican airports, and face masks are strongly recommended in public spaces nationwide.
- + At Cancún Airport: Thermal imaging cameras are in use to detect travelers with higher than normal body temperatures.

You will be required to fill in a 'Risk Factors Identification' questionnaire upon arrival. Click [here](#) to preview it.

- + Private transportation vehicles arranged by Hotel Esencia are sanitized thoroughly between guests. Drivers wear face masks at all times, and provide passengers with antibacterial gel, wipes, and fresh face masks. Luggage and guests' shoes are sanitized before boarding the vehicle.
- + Guests arriving by their own means of ground transportation will undergo a sanitization process upon arrival at Hotel Esencia.

GOOD TO KNOW
CHECKING IN

- + Welcome! For your own safety, every arriving guest's temperature is checked and all guests will be asked to use hand sanitizer.
- + Guests are not required to wear masks within the hotel however please be considerate of others and wear a mask if you are feeling unwell.
- + Luggage is sanitized upon arrival to the property.
- + Check-in and registration procedures can be done pre-arrival by submitting the necessary information by email.
- + Guests are suggested to change out of their traveling clothes upon arrival to the room. Your personal concierge or one of our valets will pick them up for complimentary first day laundering/sanitation.

GOOD TO KNOW
DURING YOUR STAY

- + Hotel Esencia's layout already ensures maximum privacy, nevertheless, extra physical distancing measures have been taken in all public areas.
- + For guests who prefer to avoid direct personal contact, our Concierge team is reachable 24hr. through instant messaging to handle any request.
- + All members of staff are screened daily before entering the property and submit to a thermal inspection and sanitization process, as well as being required to wear either a face mask or face shield at all times, and follow special hygiene protocols.
- + Hotel Esencia has a private doctor on call 24hrs. a day and is located less than 20 min. away from two excellent private hospitals.

GOOD TO KNOW

AROUND THE PROPERTY

- + Antibacterial 70% alcohol based gel is widely available throughout the property, including guest rooms.
- + High traffic and touch points are sanitized on an hourly basis.
- + Poolside and beach sunbeds are placed according to international safety distance guidelines.
- + Guests at the beach may request side curtains within our individual beach *palapas* if desired.
