Esencia, Riviera Maya, Mexico

Built to the precise spec of a wealthy duchess, this boutique resort on Mexico's Riviera Maya is more concerned these days with the demands of its clientele. Be spoilt in the organic spa, sunbathe on miles of tropical beach and order tequila cocktail after tequila cocktail - but don't forget to get out and see the ancient Mayan ruins, too.

Doubles from \$565 a night, including breakfast, with **Mr & Mrs Smith**.
